

Ladies Swingers

GOLF CLINIC

Join Jack and Trish for the Ladies Swingers clinic focusing on the further development of all areas of the game and includes all the basic necessities about golf equipment, rules and course etiquette, giving you confidence walking onto the 1st tee.

The great thing about this class is you get to play on the golf course and learn how to play difficult shots - like over bunkers or behind trees.

We will also teach you course management.

WHEN Wednesdays 2pm - 3.30pm
WHERE Bayview Golf Club
COST \$235 for 6 weeks
