# Experience the Bayview difference

---

Our private golf club is located in Mona Vale on the Northern Beaches of Sydney. We offer an interesting 18-hole golf course, a modern clubhouse and a friendly, approachable atmosphere.

The golf course is a good test for players of all ages and all abilities. It is challenging for life-long members, low handicaps, high handicaps and first-time players alike. Each hole is individual and unique, adding variation to your game – none of that ‘up and down sameness’.

The club has recently worked with PGA Tour winner Craig Parry to make the course more enjoyable. Craig has advised on and specified all of our recent renovations.

As a member of a private golf club you expect easy access to tee times, and we’re pleased to be able to deliver that.

So, if you want your membership to come with easy tee time access, an interesting golf course and a friendly atmosphere, please contact us to come and enjoy the Bayview difference.

## A brief history

It was a sheep farmer from New Zealand named John Orr who in 1924 purchased a parcel of land near Pittwater in Mona Vale. John was a keen golfer and it was not long before he built six holes for his own enjoyment.

Being a generous man, he asked others to play while his wife Christina entertained with afternoon tea. The first clubhouse was built in 1928 and in the same year the Orr's started charging 1 shilling a round - golfers dropped their fees into a tin nailed to an Ironbark tree beside the 1st tee.

In 1932, a larger Clubhouse was built and in 1933 more land was purchased on the far side of Cabbage Tree Road and Bayview Golf Club began.

The Club was leased from the Orrs by the Members until 1967, when funds were raised to purchase the Club. In 2009, \$7.2 million was invested in a new Clubhouse. Improvements to the golf course have been ongoing, with \$2 million invested recently, to create a complete golf experience for members to enjoy.

# Becoming a member

Choose the membership that gives you the priority to play how you want and when you want. We have a range of options to suit your lifestyle, everything from a 'play any day' 7-day membership down to our more casual Silver and Emerald offerings.

Please drop by, call the Club on 99993786 or email [reception@bayviewgolfclub.com.au](mailto:reception@bayviewgolfclub.com.au) and you will be directed to our General Manager, Sandra Calabretta or, if she isn't available, either our membership specialist, Amy, or one of our helpful Pro Shop staff.

## Bayview member benefits

**One thing most prospective golf club members look for when making a decision on which club to join is value for money.**

At Bayview, we offer our members access to our affiliate clubs Palm Beach Golf Club and Terrey Hills Par 3. As a Bayview member, your playing rights at each of these facilities is the equivalent of their own members for the Bayview category of membership you hold. For example, all youth and 7-day members are able to play at Terrey Hills Par 3 free of charge for 7 days (except between 11 and 3 on weekends).

Bayview members also get access to the Bayview TrackMan performance centre. The TrackMan performance centre uses state of the art technology to follow your club through the swing from impact to landing. It gives you a precise breakdown and you can use that to tweak your swing for improved results. Book via the ProShop up to 24 hours in advance.
